PATENTED DOUBLE LOCK - Impossible to Shim

Cobra Cuffs are the only disposable Restraint which helps prevent over-tightening (double-lock), is impossible to shim or disable and is compact & light weight. Disposability helps minimize blood born disease risk to officers and other inmates vs. trying to re-use metal cuffs. Ideal for mass arrest, prisoner evacuation and transport.

LEVERAGE & CONTROL

Prisoner Leverage and Control is essential for Officer Safety and Cobra Cuffs are the Only Disposable Restraint which provide this Patented Design Advantage.

Disposable- Reduce Officer Exposure to Bio-Hazard
