

## COLOR CODE YOUR PRISONERS

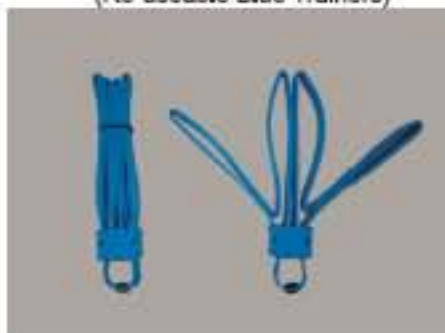

Color code your prisoners for offence type or as a warning to other officers of violent behavior, gang affiliation or transport code.

**Re-Useable Blue Trainers** allows officers to use Cobra Cuffs in Training procedures without wasting product. Proper techniques and procedures can be refined using the same design, just without the Double-Lock. Straps simply pull free with minor resistance.

**Warning: Never Use Blue Trainers on Suspects in Actual Arrest Procedure - For Demonstration Purposes Only**

(Re-useable Blue Trainers)

### WARNING

**Keep out of Reach of Children - For Law Enforcement Use Only. Read All Instructions & Warnings**

**Application:** Cobra Cuffs disposable restraints are intended to be used only on compliant subjects in controlled positions.

1. Remove Rubber Band & Open Restraint Folds (See Fig. 1)
2. Instruct subject to place their hands behind their back, with palm facing outward & insert hands into restraint.
3. Insert finger into riveted strap and pull to tighten; adjust tension on each wrist to comfortable but secure position. (See Fig. 2)
4. Push Double - Locking Clip down into receptacle for Permanent Strap Hold (Also Helps Prevent Over-Tightening) (See Fig. 3)

### Disclaimer of all implied Warranties and Statement of Liabilities

Parties agree that this instrument constitutes the entire warranty agreement between the parties, and no changes, amendments or additions of any kind will be recognized unless in writing signed by both Milspec Plastics and the customer. It is expressly agreed by both parties that no representations or warranties, expressed or implied, have been or are made except as stated herein, and Milspec Plastics makes NO WARRANTY, EXPRESSED OR IMPLIED AS TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR AS TO ANY IMPLIED WARRANTY OF FITNESS FOR ANY PARTICULAR PURPOSE,

or with respect to any obligation or liability on the part of Milspec Plastics. The Laws of the State of North Carolina shall govern construction and interpretation of this warranty. The liability of Milspec Plastics for any and all loss or damage resulting from any cause whatsoever including negligence of Milspec Plastics and/or alleged damaged or defective goods shall in no event exceed the price of the Cobra Cuff Restraints with respect to which losses or damages are claimed.

**IN NO EVENT SHALL MILSPEC PLASTICS BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING IN CONNECTION WITH THE USE OR INABILITY TO USE THIS PRODUCT. THIS PRODUCT IS PATENT PROTECTED**

## • Cobra Cuffs (Disposable Restraints)

Patent Protected **Cobra Cuffs**® come fully assembled and folded to fit easily in carry pouches. At just over 2 ounces, its easy to carry several for mass arrest or crowd control situations. Made of Engineered Polymers with amazing strength; Cobra Cuffs are Virtually Unbreakable. Since they are disposable, you never have to worry about finding or cleaning them after an arrest.

(Fig.1)

(Fig.2)

Cobra Cuffs are the only disposable restraint with a patented Double Lock. Push in the locking clip for extra safety and strength. Also helps prevent over tightening. (See Fig. 3)

(Fig.3)

Riveted straps give Tactical Leverage allowing more complete control and distance versus standard metal cuffs. Also, impossible to shim.

## • Lifesaver/Cutter

Easily Cuts Cobra Cuffs for Release, Cuts Seat Belts & a Compact Window Breaker. Great for First Responders and small enough to fit on a key chain. Comes in Black along with six other colors. Custom printing available for large orders. Great Personal Rescue Tool for automotive accidents or emergencies. Window breaker works on any tempered glass window and is easy to use.

Simply Pull Lifesaver/Cutter and it will release from the blade guard. Hook over Cobra Cuff Restraint or Seat-belt and pull against stainless steel blade. To break tempered glass window; Push end of tool (A) above against glass, until the concealed spring-loaded spike releases and shatters window.

## • Modular Restraint Pouches

Carry 3, 6 or 10 Cobra Cuffs. Complete Restraint Packs are sold empty or preloaded with Cobra Cuffs & attached Life-Saver/Cutter for convenience. All Restraints Pouches have Universal Straps to attach to belt or molle.
